

Art Express

Victoria Wonnacott - Water Paintings

YOUR JOURNEY IS ABOUT TO BEGIN...ON **ART EXPRESS!**

Art Express celebrates creative people who have dedicated their lives to the arts. The program takes you behind the scenes, backstage, and into the artists' studios to meet the most talented people living among us in New York, Quebec and Vermont. The program surveys the arts and explores what it means to be human.

"The show isn't just about the arts," says producer Paul Larson. "It's mostly about people; people just like you, who live where you do. It is their story that we're telling on the program."

To view this story, look to **Mountain Lake PBS** programming for *Art Express* on **Wednesdays at 8:00 PM and Saturdays at 6:30 PM.**

~ Montreal artist Victoria Wonnacott's work is anything but dry. The painter depicts swimmers under water, and her husband under the shower nozzle. She obsessively covers many of her canvases with tiny water droplets. Producer Paul Larson hosts the program. "Art Express" celebrates the visual and performing arts.
